Reflections . . .

A yearbook reflects the vital qualities of a school. The qualities of any school are no more than a reflection of the people of the school. In 1967 the Sentinel is designed to reflect the presence of these qualities in the academic, athletic, and social aspects of Saratoga Central High School.

Dedication

She set a good example for us--
We respect her.

She proved to be our loyal friend--
We appreciate her.

She gave her best in knowledge and work
We honor her.

For the past several years a certain individual has stood out in our thoughts. Her life represents what we would like to be. Her cheerful thoughts and friendly ways make our days seem brighter.

So often her classes have heard her say, "It takes a heap o' livin' in a house t' make it home." (HOMES, by Edgar A. Guest). We agree. And we paraphrase, and say, "It takes a heap o' good qualities in a teacher t' make her unforgettable --wisdom, patience, understanding, courage."

We, the Senior Class, proudly dedicate this 1967 edition of the SENTINEL to Mrs. Peggy Grady Ellis, whose life represents "a heap o' good things" that will so often inspire us toward "a heap o' good, honorable, happy living."

Administration and Faculty

They lead us to fountains
of knowledge which will
guide us through future years.

Principal

Mr. Alvin Narron, Jr.

On behalf of our faculty, it is my sincere desire to express to all of you, and to our seniors in particular, that the spirit of friendly democracy on our campus is the product of our working, thinking, learning, and playing together. May our experiences here in Saratoga Central High School be symbolical of our intellectual outlook and interest in all mankind. May your associations continue to be as pleasant as ours have been here.

Sincerely,

Alvin Narron, Jr.

In Action and Word, Much

Yeh, I'm a teacher, too!

"C-A-T spells cat, R-A-T spells rat".

We've got a Yul Bryner, too.

See anything exciting happening down there?

If it ain't French, English, or new books to catalogue--its the annual!

of Them Is Reflected in Us.

"Now Dennis, do it this way."

*Trip:
Best Wishes
Coach DeRatt*

"Huh? Wonder if my hospital insurance is still good while teaching those 'driver ed' kids?"

Gomer Pyle never had it so good.

Getting "practice in what you preach" through your Tom-Watt record keeping, eh, Miss Stanton?

A pretty teacher with a pleasant personality makes our day perky and perfect.

Sew the smile into the stitches if you can, Mrs. Ellis.

Would you believe, THE LIQUIDATOR?

"If you think Ag. 704 is a blast, you ought to be in Ag. 705."

Christmas Brings Added Joy to Our School.

The school begins the Christmas season by electing a representative for the Wilson Parade. Our representative this year was Linda Holloman.

Also, each year the Student Council decorates a tree to brighten the Yuletide spirit.

Junior Class

The Juniors, having experienced two years in high school, have become active in school life. Their struggles will soon be rewarded when they become the trustworthy Seniors of tomorrow.

Junior class officers: Edna Murray, Secretary; Cecelia Webb, Vice President; Tommy Shingleton, Treasurer; and Randy Pittman, President.

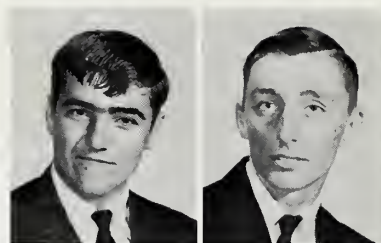

Members of the Junior Class work together to select materials for the Junior-Senior.

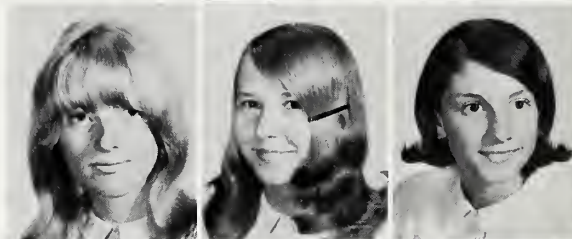

Practicing the Junior play, "The Nit Wits," was fun for all.

 Mrs. Futch*

At homeroom on Mondays and Wednesdays, forty-two students, under the direction of Mrs. Futch, meet in the auditorium to rehearse music. The group prepares musical programs for different school activities. Not only are the members concerned with theory, but also with production of music for enjoyment and good listening.

Rebel Lettermen

The Monogram Club, under the supervision of the S.C.H.S. coaches, carries out different projects each year. The purchase of a glass backboard was one of this year's projects. To finance this, Krispy Kreme donuts were sold on Saturdays.

To be eligible for membership, one must have lettered in either sports or cheerleading. The gray "SC" worn on the monogram sweaters is awarded to those who meet the requirements. Members also receive an award certificate and a gold pin showing the sport for which the letter is earned.

Honored Are Those Who Achieve

The Saratoga Central Chapter of the National Beta Club was organized in 1959. It has thirteen members, with new members to be added later this year. Membership is based on leadership, character, and achievement. To be a Beta Club member, a student must have a scholastic average of 93 and maintain an average of 88.

Annually, the Beta Club sponsors a brunswick stew sale and uses the profits to benefit the school. It has also decorated a float for the Homecoming football game. A \$100 scholarship is awarded to a senior each year.

Miss Charlotte Bordeaux, Advisor

Each new member pledges his best before entering the Beta Club.

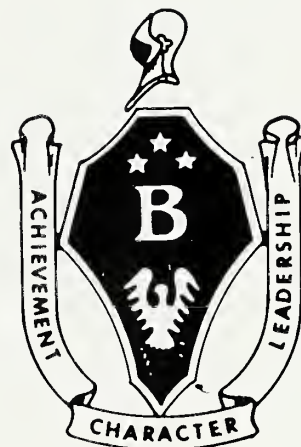

Susan Ellis, Nancy Dawson, Sandra Webb, Jackie Baker, Linda Ellis, Wanda Galloway, Cecelia Galloway, Cecelia Webb, Edna Murray.

The lighting of candles is one of the impressive parts of every Beta induction ceremony.

A \$100 scholarship is granted to a deserving senior.

Character, leadership, achievement. These words are found on the border surrounding the Beta emblem.

The honor cord consists of two golden cords tapering into tassels. The honor cords are worn as a mark of distinction by senior Beta members throughout commencement exercises.

The Sentinel Staff of S.C.H. Presents . . .

Time and worry are the foremost ingredients in producing a good annual. Long hours of school time and many hours of outside time are necessary. Worries consist of financial concerns, deadline problems, picture schedules, cropping pictures, and typing copy.

Many hours of outside work are centered around tables in the homes of various staff members.

Our "money problems" fall on the capable shoulders of our Business Manager, Danny Beamon and his Assistant Business Manager, Kathy Bridgers.

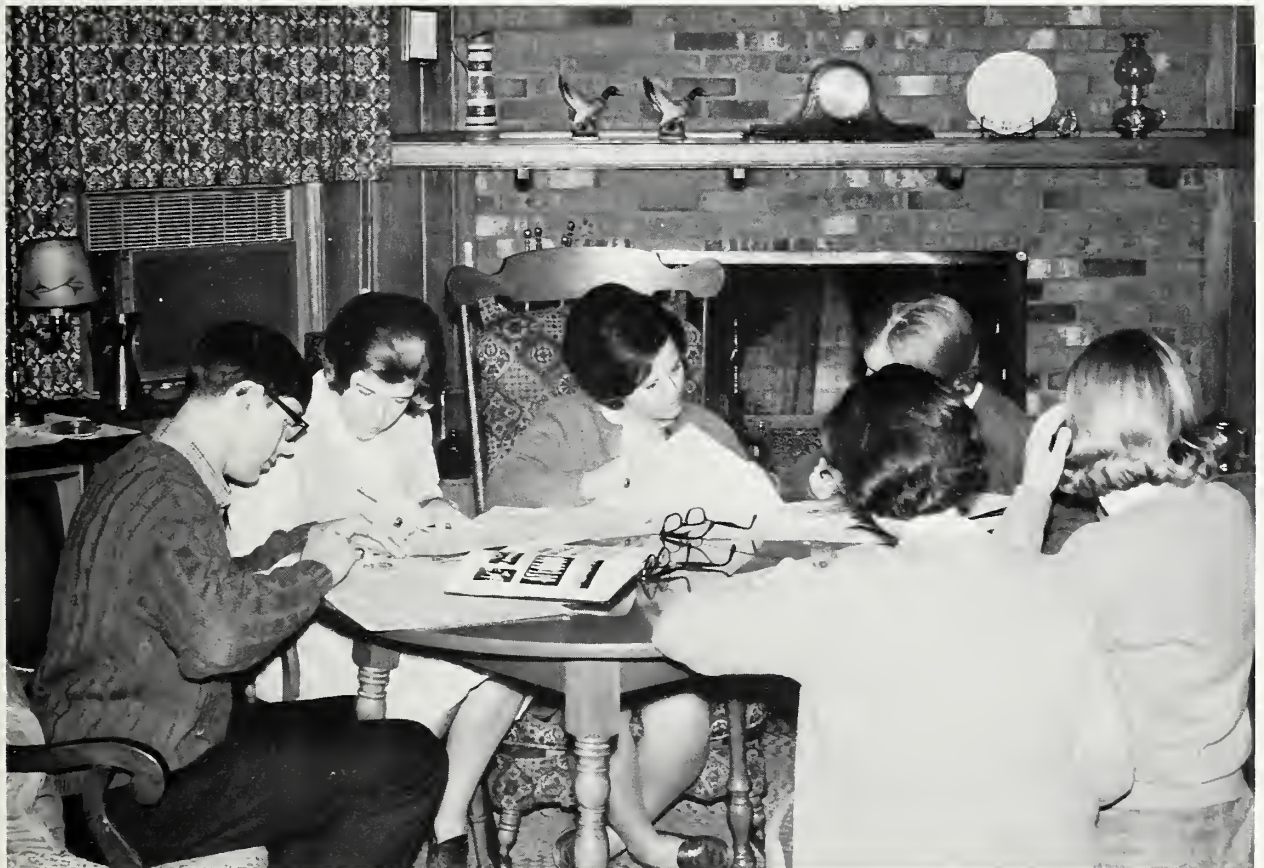

All staff members participate in the ad-selling campaign.

When You Win

We hope to have a very successful baseball season because of the number of Seniors returning from a club that tied for the conference title in 1966.

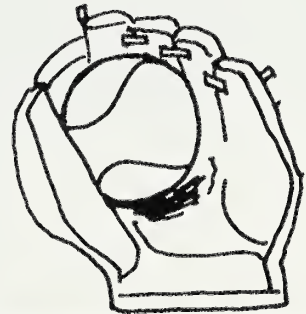

A batting cage is planned to be built to add to our baseball program. This item is badly needed for batting practice.

Coach Tommy Hawkins

"Oh-h! I've got a strawberry!!!"

"What will it be---a triple or a home run?"

"Can you stretch a little more, Danny?"

After all that time we spent figuring out how
 many bones it was going to break so you could play football
 it broke the wrong bones too late in the season (Sorry about that)
 Don't feel too bad, you suffered anyway.
 To a great friend whom I often get reunited
 with (sometimes with good reason) Root of look to a thick
 and then friend.

P.S. After one more year of fighting off the teams you'll
 have that apart to hold all to yourself (eooooo), clean bill

 I never
 believed such a fate could
 befall me - but I reckon it has

 like without your help in some of those discussions
 We've really had some great times haven't we! Best
 of luck to a C-R-A-T-Z-Y person!

Marvin,

It has been fun going to school with you the last 10 years. We have had some crazy times. I hope the good times continue throughout school. Then after we graduate I don't care what happens to you!! Truly, I wish you all the happiness in life and the Best of Luck in the future. You deserve it!!

A friend,

Marvin,

We have known each other for almost 10 years now and it has been a real blast. At the beginning I started to write what I usually tell you in English but in not. I'm just wishing you the best of luck to a very deserving guy,

Love ya
Lynda

Trupp, you've really added a lot to our class as we've gone through school. I guess in all respects think you're the best of luck always! Always, Alice Zeller

Trupp, been a while since I saw you. You know how they have really grown up. They aren't as much of a trip, but I will be as much of a trip by the time you graduate. You'll have your own means of support. AH! Betwixt!

Even though I can't stand you, you are a pretty good guy. I have always admired you over your school years. I want to wish you the best of luck in your future.

Bill

You one of my best friends for a long time in fact from about the 1st grade. I am also looking forward to this summer. Your very good friend J. Teng Jackson

Marvin,
Well, another year is almost gone
and I must say that I have really
enjoyed it. Even though you almost
broke my feet a couple of times in
World Geography, it's been fun. I
sincerely hope that our next 4 years
in high school will be as
enjoyable as this one. Good luck
to a fine day!

Always,
Nancy
